

INVOCATION: REMEMBER in NOVEMBER

Heavenly Father, please help them to “Remember in November!”
We pray that you bestow at least a temporary grant of wisdom to those liberal
Democrats and those undecided Independents to:

Remember in November what the Democratic Socialist/Communist have permitted and
encouraged on the streets of our Nation.

Please help them to REMEMBER the monuments, historic statues, businesses,
churches, religious statues and neighborhoods they have encouraged and supported to
be torn down, burned or destroyed.

Please help them to Remember in November the Democratic support in dehumanizing
and defunding our police forces.

Please help them to Remember in November the Democratic support of BLM
Organization and ANTIFA.

Please help them to Remember in November the Democratic Party not supporting our
thriving Suburban Neighborhoods and their lack of support of our inner cities where
crime has run amok and the economy is in decline.

Please help them to Remember in November those big cities that are in decline all
across this great Country.

We ask all this in Gods’ name. AMEN

Anthony R. Scott,
Chief of Police (Retired)
