

AND... WHAT DID THE DEMOCRATS DO WHILE THE PRESIDENT WAS WORKING HARD TO COMBAT THE PANDEMIC?

JOE BIDEN + THE DEMOCRATS	JOE BIDEN + THE DEMOCRATS
<ul style="list-style-type: none"> • They were busy with impeachment • Biden called Trump a “xenophobic” for the travel ban and never said another word or offered any solutions. • The New York Times warned against a pandemic panic. • WaPo – it seems scarier than it is • Jan. + Feb: The US House went home and was out of session, making no mention of the pandemic. • February: Pelosi gave a tour of her top-of-the-line freezer filled with expensive ice cream • February: Pelosi visited Chinatown in San Francisco, saying there was no reason tourists should stay away from the area due to Covid concerns. • Finally, ... the end of March ... the Democrats started ... 	<ul style="list-style-type: none"> • Offered no solutions or support, just criticism • While the CARES Act was being negotiated, Democrats attempted to load it with non-Covid related items e.g. bailing out big cities run by Democrats that were already in debt ridden from mismanagement. This unnecessarily help up getting relief to Americans. • Democrats accused the President of ... <ul style="list-style-type: none"> ○ Not listening to scientists ○ Misleading the public ○ Bashing the suggested therapeutic ○ Telling people not to trust or take the vaccine ○ Holding up again help for Americans on another phase of the CARES Act • Brought up the issue of impeachment for mishandling the pandemic • Throughout the pandemic, Biden was missing in action, actually hiding in his basement, until recently when he began attacking the President, claiming ... <ul style="list-style-type: none"> ○ The President was responsible for killing 200,000 people ○ The President has no plan ○ The President did not act early enough ○ The President plays golf instead of working ○ The President did not help the Governors • Biden claims he would have done it differently on “Day One” without giving any examples. • Biden is reluctant to talk about the SARS epidemic, of which he was in charge...
